

## Young Arts RBA Star Student Competition

This has just come from The Arts Society: -

“This year’s Star Students competition has been divided into two groups of successful students due to exceptionally high standard of entries. The first group will be displayed in both the Royal Over Seas League Gallery and the Mall Gallery and the second group will be displayed at just ROSL

I'm delighted to tell your society has had a student selected to appear at the ROSL and The Mall.”

We would like to congratulate Lucy and her teachers at St Mary’s School and we look forward to seeing Lucy’s work displayed in London next summer.
